## DISCIPLINARY CODE

Adopted and Agreed by the Management Committee February 2020

Eastcote Hockey Club (EHC) fully supports and adopts the England Hockey "Respect" Code of Ethics and Behaviour.

We are required to appoint a Club Disciplinary Officer (CDO) and this is currently:-

Rob Riddleston  
[the.riddlestons@btinternet.com](mailto:the.riddlestons@btinternet.com)  
07956 922590

The Disciplinary Committee is formed of:

CDO  
Section Captain  
Team Captain or Coach of team of the player involved

The Committee will meet if a Red Card , Matchday Misconduct Offence (MMO) or Disrepute Charge issued by an Umpire or Hockey Authority. It will also meet to discuss any misbehaviour by a player bringing the Club into disrepute.

The player can also bring along another person to present their case.

The Committee will then agree a suitable response based upon the Red Card report and the evidence provided at the meeting. The Committee will then recommend if a ban from playing is appropriate and the length of such ban.

The Committee Chairman will work closely with the County or Area Disciplinary Officer on the length such a ban. We will also work with the player to help address any issues to avoid future cases.
